We serve clients from a variety of industries; including aviation, car wash and auto detailing, car dealerships, restaurant, hotel, transportation, and janitorial.

MISSION

To provide cost-effective and high-quality automobile and janitorial products, with unparalleled service.

VISION

To set unprecedented standards for car care and janitorial products, elevating the industry to new heights.

OUR HISTORY

JRZ Precision began when the company patriarch, Joseph Zaino, merged his experience as a chemical engineer with his passion for car care. Using his expertise in chemicals to distribute, sell, and manufacture auto-detailing and janitorial products that are top-quality.
